program.

# LANDGATE

Responsible for Western Australia's land and property information

Statutory Authority since 2007

Self-sustaining via profits and returns to Government

Leading the use of location information and open data

Customer focused

The first Government Agency in 1829

Explorers of the next horizon

# WHY INNOVATION?

New ways of doing things

Identify efficiencies

Improve delivery of information

Capitalise on experience and knowledge

Become customer focused

Develop new partnerships

Inspire creativity

Embed our values

Do better with less

*Innovation is a change that adds value*

## THE FUTURE

- Harness the power of the Shared Location Information Platform (SLIP) and Open Data for the benefit of WA
- Extension of the Innovation Program to Landgate's industry partners, customers and stakeholders
- Linking Landgate data to start ups, students and universities via outreach activities and hack events
- Launch of a Location and Innovation Hub in 2016
