**Public Sector Innovation
Laboratory**

Organisational Chart

Approved on:
23 May 2033

**Public Sector Innovation
Laboratory**

Three strategic initiatives

1

Creating
data access

2

Capturing
knowledge

3

Transforming
values

Public Sector Innovation
Laboratory

1

Creating data access

OpenAccess
framework

- regulate data usage
- address copyright and privacy issues
- give guidance on classification and licensing
- → nzgoal.info

WAPS
DataNexus

- share data with other PS agencies, partner not-for-profit organisations, universities and the general public
- → data.gov.nz
- → data.gov.au

Data
specialists

- combine, re-frame and re-organise
- mashup and hack
- provide new insights and perspectives on social policy
- → mix&mash
- → GovHack

**Public Sector Innovation
Laboratory**

DataKind
USING DATA IN THE SERVICE OF HUMANITY

datakind.org

**SUMALL
FOUNDATION**

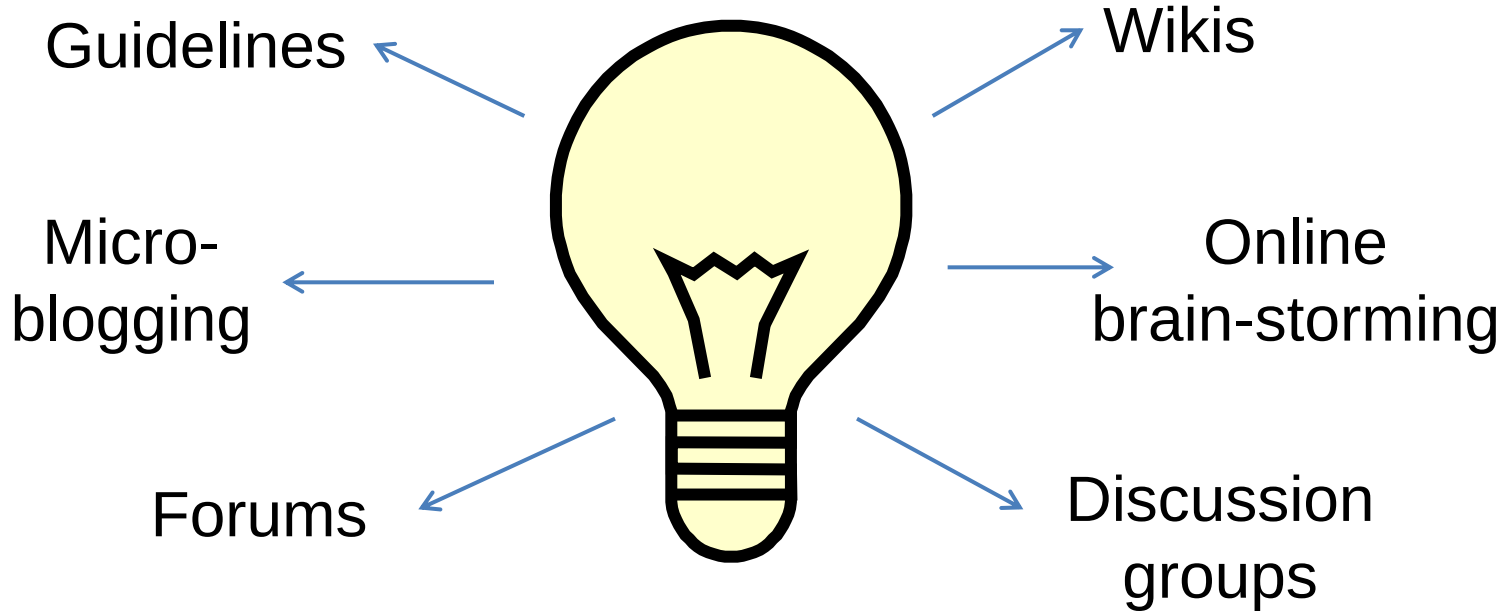

sumall.org

Public Sector Innovation
Laboratory

2

Capturing knowledge

**Public Sector Innovation
Laboratory**

3

Transforming values

Hope and optimism

Integrity

Leadership

Transparency

Collaboration

**Excellence and
innovation**

Public Sector Innovation
Laboratory

Just say **NO** to cynicism!

**Public Sector Innovation
Laboratory**

One central idea

concentrating and leveraging
our existing expertise and energy

**Public Sector Innovation
Laboratory**

Will you join me?

**Public Sector Innovation
Laboratory**
