

Effective Collaboration in Government

Susan Hunt PSM

Chief Executive

Perth Zoo

The Challenge:

The issue: effective coordination and collaboration across government

Impacts project, program and policy development - education, health, housing, conservation

Resulting in significant barriers to achieving reforms, innovation and service delivery improvements

Where:

working across government;
between government and NGOs;
with community; and
within and across our own organisations

Barriers:

Jurisdictional jealousies, Organisational structures,
silos, lack of focus on achieving whole of
Government outcomes, limited vision, and it's hard!

Mechanisms:

CEO agreements;

Across Government working parties

'Coordinating Committees'

'Joined up' Government;

Lead agency models

Mandating or directing

Tied funding

Training and recruitment for collaboration?

Our Purpose is to inspire and act for wildlife conservation

Partnerships & Collaborations

Conservation projects

Breeding programs

Infrastructure & services

Science & research

Sponsorship

Community Engagement

It's amazing what you can achieve when you don't care who takes the credit
