

# **Community Services Partnership Policy:**

**Keeping an eye on the ultimate goal**

# Community Services Partnership Policy

1. Means versus ends: where is the focus?
2. Who determines the outcomes?
3. Shift in focus: from programs to people
4. Collaboration in planning
5. Joined up initiatives

# Community Services Partnership Policy

## **POLICY STATEMENT**

To improve outcomes for all Western Australians through a genuine partnership between Public Authorities and the not-for-profit community sector in the funding and contracting of sustainable community services in Western Australia.
