

# Maximise your IPAA WA Corporate Membership

Unlock the full potential of your organisation's investment - and open the door to professional development, networking, and sector-wide recognition.

Your organisation is a valued Corporate Member of IPAA WA. This membership is a powerful resource to support every member of your team. Here is how you and your team can access the exclusive benefits, training, and connections that come with it.

## Ensure your team members create an account and sign up to our mailing list

To access discounted corporate member rates, those who want to register for IPAA WA activities need to create their own account.
